FAIRFIELD RE-OPENING SAFETY PLAN

EFFECTIVE: August 30, 2021 thru September 19, 2021

FACIAL COVERINGS

1. All students, staff and guests entering our facilities will be required to wear a facial covering. A mask, face guard or gator are acceptable as long as they mitigate spread/exposure.
2. Facial coverings will not be required at outdoor events during this time.
3. Students will not be required to wear face covering during the following activities: recess, PE class, lunch, or while actively participating in an extracurricular activity.
4. Preschool students will NOT be required to wear face coverings. Staff working in the preschool will be required to wear a face covering.
5. If three feet spacing is not possible, students may take a face covering break when they are approved by the teacher.
6. Students may remove masks once seated if they are more than three feet from the next seated student.

BUSSING

1. All riders and drivers will wear face coverings for the entire duration of their time on a Fairfield Local bus.
2. All busses will be cleaned between each trip.
3. Masks will be available for riders who forget their mask.

SCHOOL ENTRY

1. All students, staff and guests will submit to a temperature check if they wish to enter our facility beyond the building office.
2. All students will use hand sanitizer upon entry.
3. All school entries will have clearly marked signs indicating the requirement to wear a facial covering to enter the building.

CLASSROOM/OFFICE ENVIRONMENT

1. Three foot spacing between individuals will be the expectation.
2. Students may remove masks once seated if they are more than three feet from the next seated student.
3. Daily facility cleaning will include but is not limited to the following:
 - a. Cleaning of exterior door handles after each ingress and egress of mass student transition.
 - b. Classroom desktops will be wiped and cleaned at the end of each school day. Students will have the option and supplies provided to clean their desktop prior to sitting down.

CAFETERIA

1. Three feet of spacing at all tables must be maintained.
2. Students must wear facial coverings while in line.
3. Students will use hand sanitizer as they enter the lunchroom line.
4. Table tops will be cleaned between each transition in the cafe

SICK/WELLNESS CLINIC

1. The wellness clinic will return. We will locate it in the same office space as last year.

ATHLETICS

1. Face coverings must be worn by coaches of indoor athletics when working with athletes consistently within 3 feet.
2. All athletes and coaches will either wear a face covering when traveling on a school bus to events or ensure 3 feet spacing occurs .

FIELD TRIPS

1. Face coverings or assured 3 feet spacing are required at all times. Traveling to, while at, and traveling back from the destination.
